

It is easy for me, after eight years of independent living at Paradise Valley Estates, to take all of our wonderful advantages for granted, but when I think what life would be like elsewhere as a widow, I realize how truly blessed I am to be here. My wonderful feeling of security, and that of my children, comes from knowing that all of my needs, present and future, physical and mental, are cared for. Do join us! I can almost guarantee that you'll be glad you did.

The first thing we noticed about Paradise Valley Estates was the friendly, cheerful attitude among both the residents and the staff. If you want a relaxed atmosphere with exciting activities available at all times, Paradise Valley Estates is the place to be. Not only do we have a beautiful community in which to enjoy the present, we also have comforting security of knowing that when the time comes, as it surely will, when we need help, it is available right here in the assisted living and skilled nursing centers.
